The diagram illustrates the flow of a moderated question. It starts with a 'Mark' box, which leads to a 'Not moderated' box (marked with a large X). This leads to a 'Check' box, which then leads to a 'Mark' box. The 'Mark' box contains a question number, a section, and a mark awarded. The 'Check' box contains a question number, a section, and a mark awarded. The flow ends with a 'Mark' box containing a checkmark and a 'Mark' label.
